KARAVAN HERITAGE AND NATURE SOCIETY

ABOUT US

- **Founded in 1999, Karavan has over 26 years of experience in environment education, eco-tourism, and scientific documentation.**
- **We work across Lucknow, Dudhwa Tiger Reserve, and the Himalayan Terai, focusing on areas of ecological and cultural importance.**
- **Our team includes expert naturalists and environmentalists, working closely with the U.P. Forest Department and other agencies.**
- **We collaborate with institutions like MS University, Delhi University, and SIDBI for research and conservation projects.**

KARAVAN HERITAGE AND NATURE SOCIETY

ABOUT US

- We've conducted hundreds of nature camps, heritage tours, and workshops, engaging thousands of students across India.
- Our project 'Tharu Van Nidhi' preserves the heritage and knowledge of the Tharu community in Dudhwa.
- We actively encourage youth participation in eco-tourism and environmental careers.

CAMP PROGRAM SCHEDULE

2025 – 2026

DAY - 1

CAMP PROGRAM SCHEDULE

TIME		ACTIVITY
Day 01	1100	Arrival and Welcome at camp
	1130	Briefing and Orientation
	1300	Lunch
	1500	Dare: WEATHERING THE WOODS – Orienteering thru wild using a Route Map
	1800	Dare: TERRA-X – Legends of Dudhwa @ Campfire
	2000	Dinner and Night Stay at Camp

MEMORABLE WELCOME

SAND-MODEL BRIEFING

A birds' eye view of the geography of Dudhwa

DARE WEATHERING THE WOODS

Orienteering thru wild
using a Route Map

DARE WEATHERING THE WOODS

Objective:

Orient yourself through the forest using a route map while completing task at every checkpoint.

Scientific Learning:

Understanding ecosystems, flora, fauna, and navigation through direct observation, sensory training and evidence-based exploration.

A HAVEN FOR FOODIES

Mouth - watering and finger licking

DARE TERRA - X

Legends of Dudhwa
@ Campfire

DARE TERRA - X

Objective:

Understanding wildlife behaviour and man-animal conflict through stories of legends of Dudhwa.

Scientific Learning:

Develops an understanding of man-animal conflict through careful listening, group discussion and logical thinking to identify causes and possible solutions.

DAY - 2

CAMP PROGRAM SCHEDULE

	TIME	ACTIVITY
Day 02	0800	Breakfast
	0900	Dare: SURVIVOR'S INSTINCT – Master Survival Techniques in Forest
	1230	Lunch
	1430	Dare: KALEIDOSCOPIIC WORLD – Jeep Safari at Dudhwa & Sonaripur Range
	1900	Dare: ELECTRI-FIRE – Cooking jungle style @ Campfire
	2000	Dinner and Night Stay at Camp

DARE SURVIVOR'S INSTINCT

Master Survival
Techniques in forest

DARE SURVIVOR'S INSTINCT

Objective:

A mission to track and trap wildlife in the forest.

Life – Skill Learning:

Encourages teamwork,
strategic planning and resource
management while applying
observation and problem-solving
skills in a real-life outdoor setting.

DARE KALEIDOSCOPIC WORLD

Jeep Safari

DARE KALEIDOSCPIC WORLD

Objective:

Exploring the forest from a perspective of a naturalist.

Scientific Learning:

Explores how different ecosystems and habitats support various life forms, studies wildlife behaviour and understands the role of protected areas in conserving endangered species.

DARE ELECTRI - FIRE

Cooking Jungle Style
@ Campfire

DARE ELECTRI - FIRE

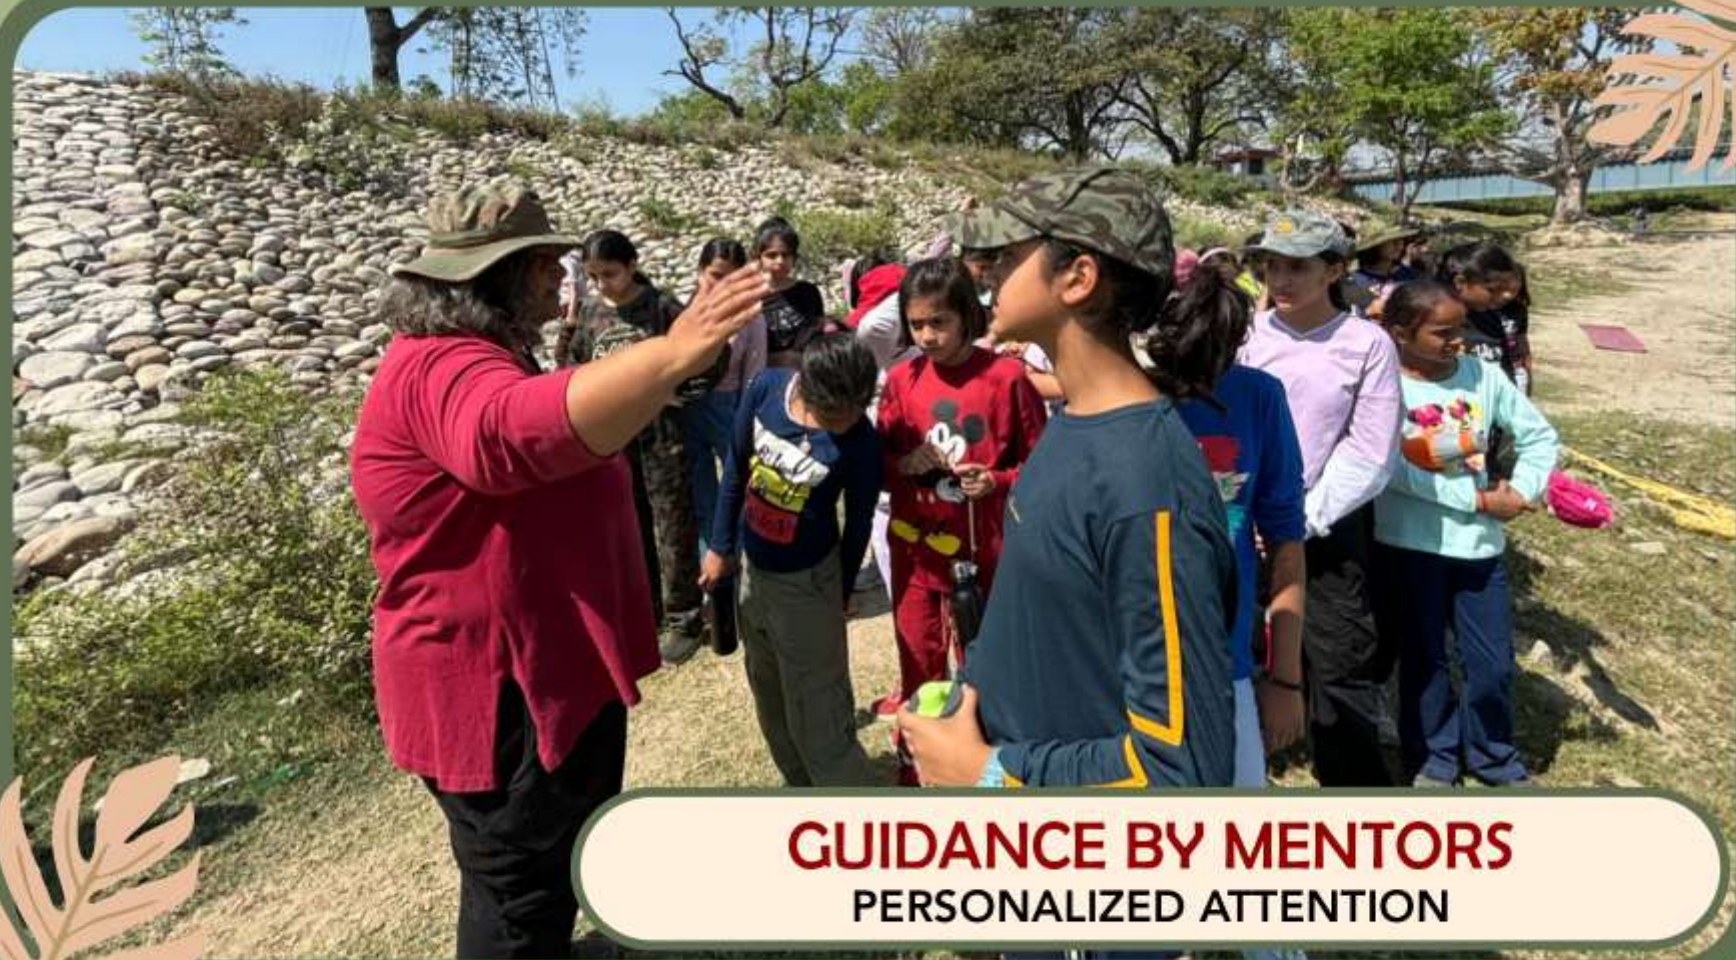

Objective:

To experience primitive-style cooking by preparing a barbecue using basic tools and teamwork

Life – Skill Learning:

Builds self-reliance, teamwork and confidence through shared tasks while learning time management, resourcefulness and basic outdoor cooking techniques using natural materials.

GUIDANCE BY MENTORS
PERSONALIZED ATTENTION

DAY – 3

CAMP PROGRAM SCHEDULE

Day 03	TIME	ACTIVITY
	0730	Breakfast
	0800	Departure to Nepal for Day-Visit
	1100	Dare: HIMALAYAN ADVENTURE – Short Trek on Mountains
	1330	Lunch
	1430	Explore Nepali Bazzars
	1600	Drive back to Camp
	1900	Dare: DEADLY-NITE – Congregation of extinct species @ Campfire
	2000	Dinner and Night Stay at Camp

DARE HIMALAYAN ADVENTURE

Trekking in the
Himalayas

DARE HIMALAYAN ADVENTURE

Objective:

A trek through the Himalayan forest to explore its unique geology, flora and fauna.

Scientific Learning:

Understanding river dynamics such as erosion, deposition, meandering and their role in shaping landscapes and borders.

DELECTABLE & NUTRITIOUS MEALS

DARE DEADLY - NITE

Congregation of extinct
species @ Campfire

DARE DEADLY NITE

Objective:

The objective of this dare is to devise a strategy on 'How to Teach the Homo sapiens a Lesson' after being extinct by the human actions.

Scientific Learning:

Promotes understanding of interspecies relationships and human impact on ecosystems, while developing communication skills under pressure and empathy through ecological awareness.

DAY - 4

CAMP PROGRAM SCHEDULE

	TIME	ACTIVITY
Day 04	0600	Dare: WILDLIFE HOTSPOT – Jeep Safari at Kishanpur Range
	1000	Breakfast
	1200	Camping Team Games
	1300	Dare: KNOWLEDGE INCUBATOR – Debriefing & Closing
	1330	Lunch
	1430	Departure for return journey

DARE WILDLIFE HOTSPOT

Jeep Safari at
Kishanpur Range

DARE WILDLIFE HOTSPOT

Objective:

Learning about bio-diversity and habitats through immersive forest exploration.

Scientific Learning:

Explores the formation of oxbow lakes, three ecosystems and their role in supporting prominent tiger habitats through observation and ecological understanding.

DARE KNOWLEDGE INCUBATOR

Debriefing and
Closing Ceremony

DARE KNOWLEDGE INCUBATOR

Objective:

To revise and reinforce all camp learnings through an engaging quiz-based debriefing.

Scientific Learning:

Strengthens memory recall and cognitive skills through interactive review, while promoting communication, teamwork and analytical thinking.

CAMPING GAMES

For team-work, strength and action
